The mobile ticket opens.

# Transfer Tickets to a Friend

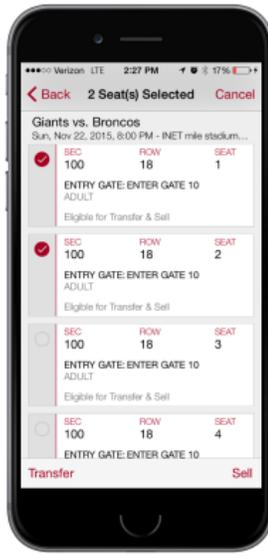

①

From the **Next** tab, tap **Transfer**; your seats for the event are displayed in the next screen.  
Note: If the **Transfer** button isn't visible, the seat(s) for the event isn't transferrable.

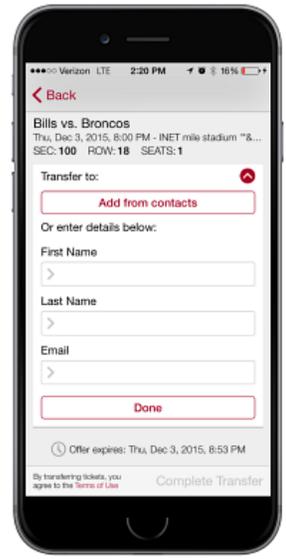

②

Select the seat(s) to transfer by tapping **Select**, then tap the correct seat(s). Note: Multiple events can be selected provided the seats stay the same across all the events.

③

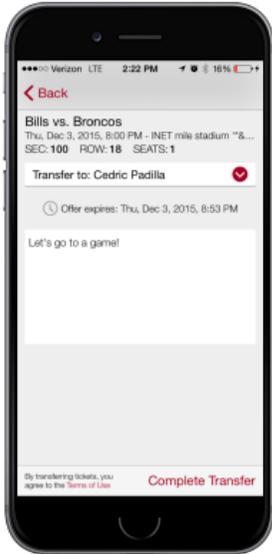

After the seat(s) is selected, tap **Transfer**.

④

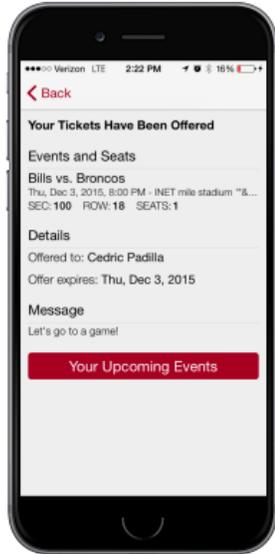

Tap **Add from contacts** to select the transferee from your iPhone's contact list, or enter their **First Name**, **Last Name**, and **Email**. When selected from your contact list, the name and email is populated in the fields. Tap **Done** to continue.

## Transfer Tickets to a Friend (continued)

5

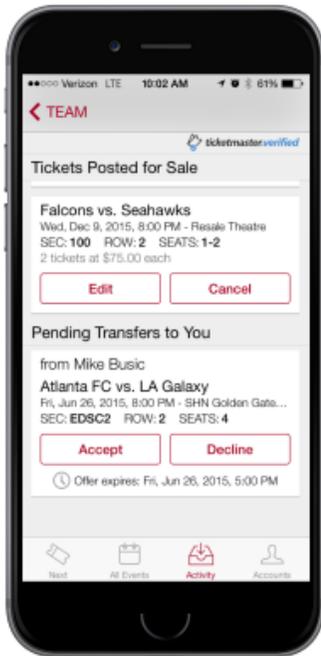

If desired, enter an optional message for the transferee, then tap **Complete Transfer**.

6

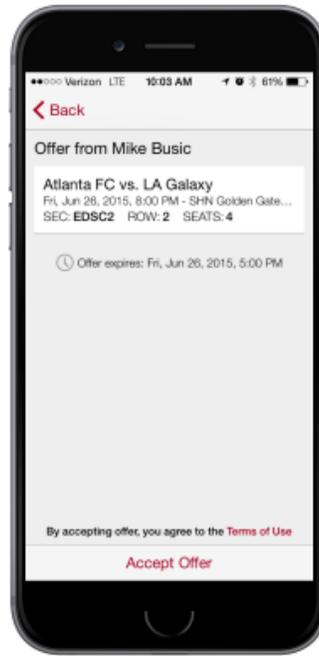

A confirmation of your transfer offer is then displayed.

# Accepting Transferred Tickets

①

Tap the **Activity** button, then scroll to the **Pending Transfers to You** section. Tap **Accept** to acquire the tickets.

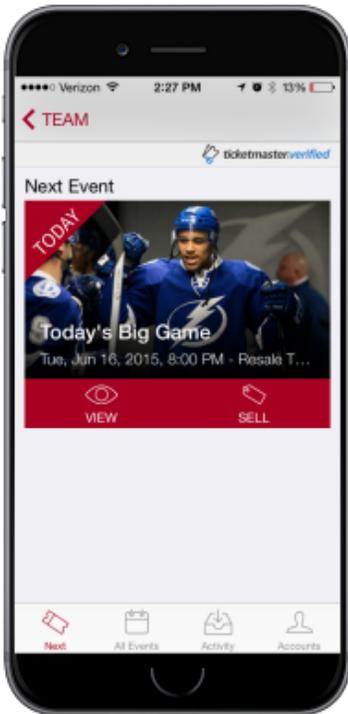

②

The seat information is then displayed, including any messaging from the transferor. Tap **Accept Offer** at the bottom of the screen to complete the process. You are then returned to the **Activity** screen.

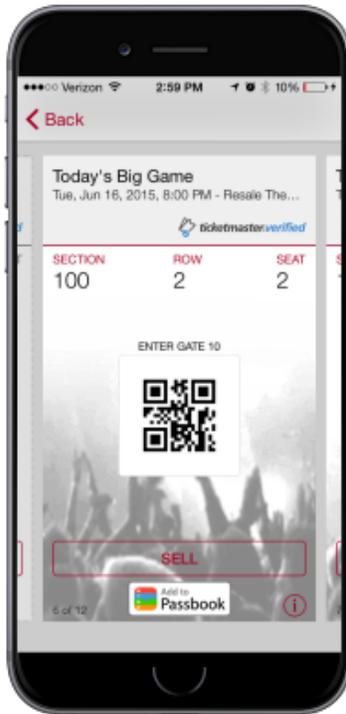

# Add Tickets to Passbook

From the Next Event screen

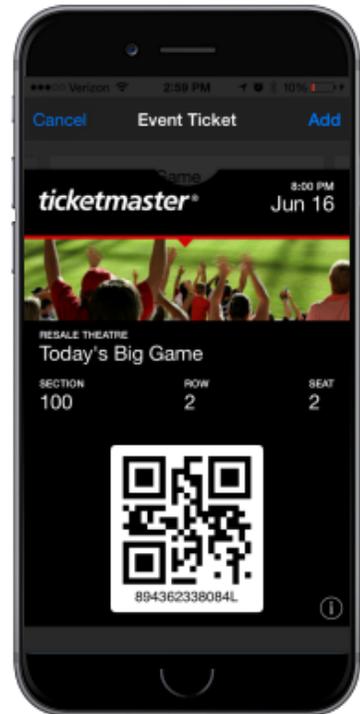

①

Tap **View** to view the event's barcode.

②

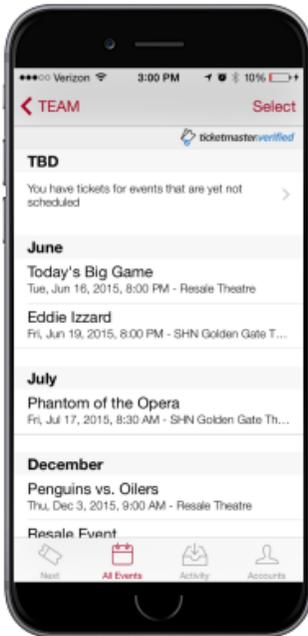

Tap **Add to Passbook**.

③

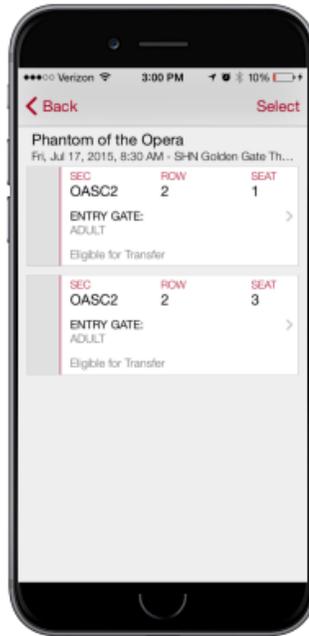

The Mobile ticket opens up in Passbook. Tap **Add** to finish adding the ticket to Passbook. Repeat steps #3-4 until all tickets are added to Passbook.
